

FindYourRingSizeWithoutAPrinter

Having issues with figuring out your ring size? No worries! We've provided this simple step-by-step on how to check your ring size right from the comfort of your home. Getting started is easy and won't require any pesky printers.

Things you will need

- 1 piece of paper (8.5" x 11")
- 1 pen
- 1 ruler
- 1 pair of scissors
- The sizing chart at the bottom of this page

Four Easy Steps

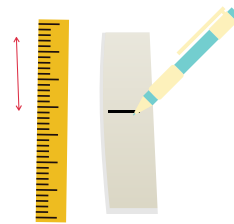

STEP 1

Cut out a rectangle of 1/4 inch wide and 6 inches in length.

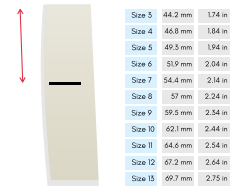

STEP 2

Wrap this strip of paper around your finger and mark exactly where it overlaps.

STEP 3

Now measure the distance from the end of the paper to where it was marked.

STEP 4

Take your measurement and check the sizing chart for size.

Helpful Hints

- Fingers change size during the day—measure your fingers at the end of the day when they are their largest.
- Finger size also changes with temperature; measure your finger when it is moderately warm.
- If your finger doesn't fall directly into one size, choose the larger size.
- Fingers tend to be one half-size larger on your dominant hand
